

THE SIGNIFICANCE OF THE LORD'S SUPPER

It's interesting that Jesus never asked His disciples to remember His birth, but He did instruct them to remember His death and resurrection. He gave the church two visible symbols called ordinances. We do not call Baptism and the Lord's Supper, sacraments. We don't call them that because the word sacrament means it saves you. We don't believe baptism saves you and we don't believe the Lord's Supper saves you. The Bible says they are symbols of your salvation, not things that make you saved. So technically they are not sacraments. We call the ordinances because they were ordained by God for Christians to remember Jesus' death.
